

How to Reset a Student's Account

Operational instructions for Sihara & the Admin Team

1 What Does the "Reset" Button Do?

The new **Reset Progress** feature gives any student a **clean slate from Day 1 (Module 0)** with a single click.

What Gets Reset

- 🔄 **Course Progress:** Clears all completed lessons and module nodes.
- 🔄 **Quizzes & Challenges:** Clears previous quiz scores and boss battles.
- 🔄 **Starting Survey:** Lets the student retake their initial Orion assessment.
- 🔄 **Submitted Work:** Clears past practice uploads and proof cards.

What Stays the Same

- ✓ **Login & Password:** Student uses their existing email and password.
- ✓ **Name & Profile:** Their account details remain saved.
- ✓ **No Re-invites Needed:** They can log straight in with no extra setup.
- ✓ **Grade Tier:** Their assigned difficulty level remains set.

2 How to Reset a Student (3 Simple Steps)

1 Open the Student Roster

Go to playiq-new.vercel.app/admin/users (or click **Dashboard** → **Users** in the top menu).

2 Find the Student

Type the student's **name or email** into the search bar at the top.

3 Click Reset and Confirm

On the right side of the student's row, click the **Cyan Reset Button** [🔄 Reset](#).

A popup will ask you to confirm: click **Confirm**. The student's progress will immediately change to **0%**.
